Go no further than your pantry, backyard or the beach for materials to make your own organic fertilizer: BANANA PEELS - Eating a banana helps replenish lost potassium. Roses love potassium too. Simply throw one or two peels in the hole before planting or bury peels under mulch so they can compost naturally. Get bigger and more blooms. I also use banana peels on my vegetables.

Health care is a multi-billion dollar industry that too often relieves you of your money, but not your illness. America has the highest health care costs in the world, but the quality of care and the results of treatment is vastly inferior to many other first world countries. Treat yourself naturally and enjoy better health for your body as well as your finances.
