

5000 english malayalam malayalam pdf

Working language. English was introduced to Singapore by the British in 1819. The British established a port, later a colony, on the island. English had been the administrative language of the colonial government, and when Singapore gained self-government in 1959 and independence in 1965, the local government decided to keep English as the working language.

The earliest reliably documented mention of the spherical Earth concept dates from around the 6th century BC when it appeared in ancient Greek philosophy, but remained a matter of speculation until the 3rd century BC, when Hellenistic astronomy established the spherical shape of the Earth as a physical given and calculated Earth's circumference. The paradigm was gradually adopted throughout the ...
