Handbook for French Immersion Administrators

The study of French includes: a) the spoken and written forms of the language b) the interrelationship between sounds and writing in the language c) the grammar of the language and how to apply it d) a range of vocabulary and structures e) learning about different countries where French is spoken and their cultures f) comparing pupils' own experiences and perspectives with those of people in countries and communities where the French language is spoken.

French Handbook - PDF Free Download - edoc.site

x / Handbook of French Semantics that it reflects the rich nature of the field of semantics. We are grateful for the comments we received from two external readers (solicited by CSLI Publications and NWO), which were used to improve the first version of the manuscript. Of course, we are responsible for all remaining errors. Some caveats are in order.

PREFACE French Basic Course (Revised) draws heavily on the 1960 French Basic Course by Dan Desberg and associates and incorporates the 1967 French Supplementary Exercises by Robert Salazar. It owes a debt to the many people who have contributed to the evolution of language instruction since the establishment of the Foreign Service Institute.
