Market Liberalism and Social Protection 18 18 Journal of Academic Studies economy and society determines the character of Hayekâ€™s argument. Hayek is an individualist in the sense that, for him, the individual is the building block of society. Hayek, as any serious social thinker, has a particular description of the state of nature and of society.

What a Hayekian worldview demands is that one trade certainty for humility, appreciate the limits of useful

knowledge, and recognize that plans do not represent extension of the will. Skepticism must be the order of the day, placing the burden of proof on the doctrinarian.
