2 Responses to Abortion: a Law Unto Itself. Jeff Johnson says: January 1, 2019 at 10:27 pm. There is no greater, darker sin being committed on this planet. It is the leading cause of death on earth, and the blood of the millions of tiny, innocent children cries out to heaven for justice. This justice is on the way.

Abortion: a Law Unto Itself | Practical Ethics

How is it that the law enforcer itself does not have to keep the law? How is it that the law permits the state to lawfully engage in actions which, if undertaken by individuals, would land them in jail? These are among the most intriguing issues in political and economic philosophy. More specifically, the problem of law that itself violates law is an insurmountable conundrum of all statist philosophies.
