Discipline is action or inaction that is regulated to be in accordance (or to achieve accord) with a particular system of governance. Discipline is commonly applied to regulating human and animal behavior, and furthermore, it is applied to each activity-branch in all branches of organized activity, knowledge, and other fields of study and observation.. Discipline can be a set of expectations ...

School discipline is the actions taken by a teacher or the school organization towards a student (or group of students) when the student's behavior disrupts the ongoing educational activity or breaks a rule created by the teacher or the school system. Discipline can guide the children's behaviour or set limits to help them learn to take care of themselves, other people and the world around them.
