Master of Business Administration (MBA) The MBA is designed to prepare students who have completed undergraduate work in any academic discipline and intend to pursue a management career.

Business Administration, with tracks in Finance, Marketing

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

Advanced Retail was created in 2008 by Al Cadosch after a long career heading international development of fashion brands such as Zadig&Voltaire, Harley-Davidson MotorClothes, Caterpillar to name a few. Advanced Retail started as a consulting firm; it rapidly changed its business model to become a retail management platform and assist international brands in the most prestigious department stores.

Advanced Retail - Our Retail Management services include:

Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time. A project is a temporary endeavor designed to produce a unique product, service or result with a defined beginning and end (usually time-constrained, and often constrained by funding or staffing ...
