Perhaps the most comprehensive and authoritative reference for Native American history is the Handbook of North American Indian series published by the Smithsonian Institution under the general editorship of William C. Sturtevant. This twenty-volume series describes the history, culture, and language of the different Indian tribes of North America.

Native Americans and American History - National Park Service

American Indians, Indian Tribes, and State Government. is a cooperative project by legislative analysts in the Research Department of the Minnesota House of Representatives. General questions regarding American Indians can be directed to Mary Mullen. Topical questions should be addressed to the analyst who covers that subject.

American Indians, Indian Tribes, and State Government

A History of American Indians in California: INTRODUCTION The history of California Indians is a different story from that of other ethnic groups who came in the last few centuries as immigrants to an already populated land. For Indians, this is their homeland, and their history spans more than 10,000 years of occupation.
