American modernism, much like the modernism movement in general, is a trend of philosophical thought arising from the widespread changes in culture and society in the age of modernity. American modernism is an artistic and cultural movement in the United States beginning at the turn of the 20th century, with a core period between World War I and World War II.

American humor refers collectively to the conventions and common threads that tie together humor in the United States. It is often defined in comparison to the humor of another country – for example, how it is different from British humour and Canadian humour. It is, however, difficult to say what makes a particular type or subject of humor particularly American.
