A model minority is a demographic group (whether based on ethnicity, race or religion) whose members are perceived to achieve a higher degree of socioeconomic success than the population average. This success is typically measured relatively by income, education, low criminality and high family/marital stability.. The concept is controversial, as it has historically been used to suggest there ...

bluster. In a year known for the Occupy movement and what became known as the Arab Spring, our lexicographers chose bluster as their Word of the Year for 2012. Here's an excerpt from our release that year that gives a pretty good explanation for our choice: 2012 saw the most expensive political campaigns and some of the most extreme weather events in human history, from floods in Australia to ...
