Gaianism is an earth-centered philosophical, holistic, scientifically non-religiously supported, and the spiritual opinion that shares expressions with various religions such as earth religions and paganism while not identifying exclusively with any specific one. [incomprehensible] The term describes a philosophy and ethical worldview which, though not necessarily religious, implies a ...

Abstract and concrete are classifications that denote whether the object that a term describes has physical referents. Abstract objects have no physical referents, whereas concrete objects do. They are most commonly used in philosophy and semantics. Abstract objects are sometimes called abstracta (sing. abstractum) and concrete objects are sometimes called concreta (sing.
