To be fully understood, literary production has to be approached in relational terms, by constructing the literary field, i.e. the space of literary prises de position that are possible in a given period in a given society. Prises de position arise from the encounter between particular agents' dispositions (their habitus, shaped by their social trajectory) and their position in a field of ...

Heroic men, heroic women, and animals . See also the section The courage of the bullfighters, which includes material on the courage of the rock climbers and mountaineers, including the remarkable achievements of the free climber Alex Honnold.. This is a very varied section, like some other sections of the page. So much writing in support of bullfighting is suffocating in its exclusion of the ...
