As noted in the Introduction, our intent was to continue to add to our collection of quote mines. This is the first such addition and no fitter subject could be chosen than to address some more quote mines of Charles Darwin. However, since these quotes are not from a single source, as was the case in the original Quote Mine Project, there are some differences in how they are organized. Before ...

The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge that builds upon the past knowledge.

SuperMemo: Incremental learning (SuperMemo 16)

A scriptural framework leads to specific expectations about the genetic differences among humans and other species, expectations that can be scientifically tested against modern genetic data. Genetics confirms the recent, supernatural creation of Adam and Eve and refutes the evolutionary narrative on human origins.
