In The Shadows of Glories Past Jihad for Modern Science in Muslim Societies, 1850 to The Arab Spring, 1st Edition. By John W. Livingston. The title of this volume implies two things: the greatness of the scientific tradition that Muslims had lost, and the power of the West, in whose threatening shadow reformers now labored to modernize in order to defend themselves against those very powers ...

Introduction "Cultural sensitivity" is common advice in the field of early childhood learning and development, and few would argue with it. 1 But are we willing to take this advice to the point of yielding to culturally-based understandings of how children learn and how to promote optimal developmental outcomes? On the contrary, there is a great deal more rhetoric about responding to ...

The first Appellation d'Origine Contr le (AOC) was C tes du Rh ne, approved in 1937, for the Rh ne wine region. Each wine-producing area was entitled to create rules to discipline its viticulture (grape varieties that could be used, their proportion in the allowed blends, the aging methods, and so on), within general guidelines imposed by the central authority (photograph by Megan Cole ...

When we talk about mass incarceration as a crisis, we often think of the U.S. as the benchmark for disturbing trends in imprisonment. And it is: Black men are six times more likely to be imprisoned than white men in the States. The U.S. is the world's leader in incarceration rates per capita, with a total of 2.2 million people in prisons and jails in 2015—a 500 percent increase since 1975.

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.
