The first step in this process is to estab - lish the gesture or linear lay-in. This is the most important step of the drawing because it dic - tates all other steps in the process. Before going any further, lets define ges -

ture. In its simplest form, gesture is the action of the pose or movement between its forms.

### **Figure Drawing Fundamentals - Biography**

Step 5 As our character is a child, we will make a cartoon mouth: something simple just to represent an expression of innocence. Notice that when drawing a little child's mouth, the lips shouldn't be drawn!

a digital painting program. I try to copy every detail, as if I was trying to paint a realistic portrait. For choosing colors, and values, I use the eyedropper tool, and change the color I picked with the colorwheel in ArtRage. I want more saturation, and warmer colors. I also use many layers, to separate features. For example I make

and the first step on that path is to become confident at drawing. Through these lessons you will learn to draw step by step by starting with the basics and moving towards more complicated techniques. This course is meant to be used and that means you need to draw and paint in order to make it work. The lessons are planned to build upon one another.
