Everyone has their own way of organizing their recipes. My favorite way is a DIY recipe binder. I created a simple version a few years ago (click here) and I've used it ever since. It's one of the most popular posts here at Living Well Mom, so you all must love recipe binders too!. A DIY recipe binder is a convenient way to sort the recipes many of us print from online.

We co-slept with both of our boys, and plan to do the same with our baby girl. With the boys, I just put a toddler bed rail up on the side of my bed to prevent them from falling off, but the bed rails are so unattractive, and I really don't want to put one on my bed again, since I just finished decorating our master bedroom.

Hello. I started making some snowflake thaumatropes back in December but it was just another one of those posts I never got around to finishing! Six months later and I finally finished some "yay! (Snowflake theme no longer appropriate!) My kids thought that the "cat's whiskers" design was really funny.

This millimeter ruler PDF has all you need " just be sure not to let your printer "resize to fit" the paper, or you won't get a true reading of the measurement.. By the way, this nifty ruler can be found alongside many other printable rulers here.. Be sure to visit the home page of Mitchell N. Charity, for a few other cool resources (like the business card ruler).

Hello! Sorry about the little break. My son has been off on his half-term holidays so I had a blog-free week! Now I am back, I just want to give a big shout out (and a big thank you) to my new sponsors, pi"kea street and paper glitter!.do check their sites out! I also wanted to say a massive thanks to all the people who have left comments lately (and to those who have sent me lovely emails).

In mathematics. Five is the third prime number. Because it can be written as  $2 \cdot 2 + 1$ , five is classified as a Fermat prime; therefore a regular polygon with 5 sides (a regular pentagon) is constructible with compass and unmarked straightedge. 5 is the third Sophie Germain prime, the first safe prime, the third Catalan number, and the third Mersenne prime exponent.
