

doctor of nursing practice pdf

The Doctor of Nursing Practice (DNP) is a terminal professional degree in nursing. In the United States, the DNP is one of two doctorate degrees in nursing, the other being the PhD (Doctor of Philosophy in Nursing). The curriculum for the DNP degree builds on traditional master's programs by providing education in evidence-based practice, quality improvement, and systems leadership.

Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Nurses may be differentiated from other health care providers by their approach to patient care, training, and scope of practice. Nurses practice in many specialties with differing levels of prescription ...
