The Importance of Doing Research (Earnestly!)

Where do I start? Strategies for Research: The foregoing has tried to identify markers of good research projects, questions you should be asking yourself as you proceed in your thesis work. But there are also more pragmatic questions about how to identify good research projects, how to spend your time, etc.

Ph.D. Thesis Research: Where do I Start?

After all, it's something you probably do in your daily life on a regular basis. You do "research" when you are deciding what car to buy. You do "research" to help you determine what university you should attend. And, of course, you do "research" when you have to find things out for an assignment.
