Here is a run down of the top elements that the Gardenweb readers said might very well be 'trendy elements that will scream 2000s'. All of these elements are architectural or a part of the house, which is more of a commitment than a trendy pillow or lamp.

Things That Inspire: Trendy elements that scream 2000s?

We are all beaten over the head that we should always follow our dreams, always pursue our passions, always turn reality into what we believe will make us happy. Most marketing and advertising is based on this. The majority of the self-help industry pushes this. And with the rise of Tim Ferriss and â€œlifestyle designâ€• obsession of this generation, it has become a borderline religion.
