Fashion is a popular style, especially in clothing, footwear, lifestyle, accessories, makeup, hairstyle and body. [citation needed] Fashion is a distinctive and often constant trend in the style in which people present themselves. A fashion can become the prevailing style in behaviour or manifest the newest creations of designers, technologists, engineers, and design managers.

Cross-dressing is the act of wearing items of clothing and other accoutrements commonly associated with the opposite sex within a particular society. Cross-dressing has been used for purposes of disguise, comfort, and self-expression in modern times and throughout history. Almost every human society throughout history has had expected norms for each gender relating to style, color, or type of ...
