

dynamics of social class pdf

This paper is the first in a series of short pieces from Demos concerning the dynamics of social exclusion and the relationship between individual instances of hostility towards people of color in the United States and how that hostility is powered by our policy choices.

Social mobility is the movement of individuals, families, households, or other categories of people within or between social strata in a society. It is a change in social status relative to one's current social location within a given society.

Social mobility - Wikipedia

The term social order can be used in two senses. In the first sense, it refers to a particular set or system of linked social structures, institutions, relations, customs, values and practices, which conserve, maintain and enforce certain patterns of relating and behaving. Examples are the ancient, the feudal, and the capitalist social order.
