

generative scribing a social pdf

Generative Scribing: A Social Art of the 21st Century. Scribing is a visual practice where an artist maps out ideas while people talk and can see the drawing unfold in front of their eyes. The drawing establishes connections within content, aids with insight, and supports decision-making. It's essentially a language that weaves words and pictures to facilitate group learning and cultural memory.

Generative Scribing: A Social Art of the 21st Century

Generative Scribing: A Social Art of the 21st Century. Scribing--visually representing ideas while people talk--is a distinct social art form that facilitates group learning and cultural memory. Scribes listen and draw simultaneously, creating large pictures that integrate content, prompt insight, and aid with decision-making.

Generative Scribing: A Social Art of the 21st Century by

A generative scribe calls particular attention to an emerging reality that is brought to life by, and for, the social field in which it's created. This book is intended for current and future scribes, with an aim to expand the possibility and impact of their efforts.
