

generative scribing a social pdf

Generative scribing advances this practice by extending the range of the practitioner to an entire ecosystem and drawing with an attunement to energy. A generative scribe calls particular attention to an emerging reality that is brought to life by, and for, the social field in which itâ€™s created.

Generative Scribing: A Social Art of the 21st Century

This book is about generative scribing, which is a visual practice and an art form, functioning in the moment, across boundaries, as a device for social seeing.[1] The primary value of generative scribing is in-the-moment collective sourcing and reflection.

Generative Scribing: A Social Art of the 21st Century

After reading Bird's Generative Scribing, I decided to attend her recent training in Toronto. Both experiences were so powerful. Somehow she manages to transfer her wisdom into the book, while within the training, the book's wisdom is brought to life with a similar "art" of expression and skill.

Generative Scribing : A Social Art of the 21st Century

Rather, the generativist wants an account of the configuration's attainment by a decentralized system of heterogeneous autonomous agents. Thus, the motto of generative social science, if you will, is: If you didn't grow it, you didn't explain its emergence. Or, in the notation of first-order logic:
